Reston South Park and Ride

Peak Service on Route 585 will Double

Effective Sunday, November 28, 2010

Starting Nov. 28, construction of the future Wiehle Avenue Metrorail Station parking garage will impact Reston East Park and Ride, closing as many as 200 of the 820 parking spaces. Reston East will close completely the week of February 27, 2011.

Commuters who are displaced from Reston East can park at Reston South Park and Ride. To accommodate the anticipated increase in peak-hour passengers, service on Route 585 will double. Combined with the existing service on routes 553 and 557, service will be available to West Falls Church Metrorail Station every 6-8 minutes in the AM and PM peak periods.
