

NOTICE TO PASSENGERS

Proposed Fiscal Year 2011 Service Reductions and Eliminations

The County Executive's proposed budget for FY 2011 (which begins July 1, 2010) was presented February 23, 2010. Fairfax Connector service cuts and fare increases are required due to the discontinuance by the Metropolitan Washington Airports Authority (MWAA) of \$6.645 million in annual operating support (from Dulles Toll Road revenues) for the Dulles Express Bus Service.

The Dulles Express Bus Service has been partially funded through an annual state set-aside of Dulles Toll Road revenue through a grant with the commonwealth and the Virginia Department of Rail and Public Transportation (DRPT). The grant (initially for 50% state funding and 50% county funding of the service) was established in FY 2000 and was to remain in place until Metrorail service to Wiehle Avenue was implemented. Since that time, the state's contribution has remained unchanged and the county's contribution has grown as operating costs have increased.

In November 2008, the Dulles Toll Road and the control of this grant were transferred to MWAA; MWAA subsequently determined that the grant to the county would not be continued.

To close the gap created by this loss in outside revenue from MWAA for Fairfax Connector operations in the Dulles Corridor, the budget proposal includes the following increase in fares and reductions in service:

- **A fare increase from \$1.25 to \$1.50 on the base fare.**
- **Elimination of seven routes.**
- **Creation of one route to replace a small portion of eliminated routes 552, 553, 554 and 557.**
- **Reduction in the number of late-night trips, generally operating after 8:30 or 9 p.m., depending on the route.**
- **Elimination of Sunday service in the Dulles Corridor.**

The Fairfax County Board of Supervisors will adopt a final FY 2011 budget on Apr. 27. Riders and other residents with concerns about the proposed cuts may comment on the proposed FY 2011 budget during public hearings before the Board of Supervisors on April 6, 7, and 8. If approved, Fairfax Connector service and fare changes would take effect Sunday, June 27, 2010. **Affected South county Fairfax Connector routes are listed on the back of this flyer. For a complete listing of routes including those in North county, please visit www.fairfaxconnector.com.**
